On February 23, 2023, Alkami Technology, Inc. (the "Company") issued a press release and held a conference call announcing its financial results for the fourth quarter and year ended December 31, 2022. During the conference call the Company inadvertently stated that it expects stock based compensation to be approximately 9% of 2023 revenue when the actual expectation is approximately 19% of 2023 revenue. The Company does not believe this inadvertent misstatement to be material and is furnishing this Current Report on Form 8-K to correct the public record.

The information contained in this Current Report on Form 8-K is being furnished pursuant to Item 7.01 of Form 8-K and shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liability of that section. The information contained in this Current Report on Form 8-K shall not be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof, except as shall be expressly set forth by specific reference in such a filing.

**Forward-Looking Statements**

Statements in this Current Report on Form 8-K that are not historical facts are forward-looking statements that reflect management's current expectations, assumptions, and estimates of future performance and economic conditions. These forward-looking statements involve known and unknown risks, uncertainties, and other factors that may cause actual results, performance or achievements to be materially different from any future results, performance or achievements, expressed or implied by the forward-looking statements. Factors that may materially affect such forward looking statements include: Our ability to attract new clients and retain and expand existing clients' use of our solutions; the unpredictable and time-consuming nature of our sales cycles; our ability to accurately predict the long-term rate of client subscription renewals or adoption of our solutions; intense competition in our industry; any downturn, consolidation or decrease in technology spend in the financial services industry; our ability and the ability of third parties on which we rely to prevent and identify breaches of security measures (including cybersecurity) and resulting disruptions of our systems or operations and unauthorized access to client customer and other data; our ability to attract and retain key employees and other factors described in the Company's filings with the Securities and Exchange Commission. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
